

24 August 2021

Dear Professor Dana C. Ernst,

I would like to invite you to spend the spring of 2023, or a smaller part of it, as a visiting academic at the University of Iceland. Our department would provide office space and access to computing facilities. You would also have the option of teaching a mathematics course while visiting us here in Iceland.

I hope that you will accept this offer and I look forward to a profitable research association with you.

Yours sincerely,

A handwritten signature in black ink that reads "Anders Claesson".

Anders Claesson
Professor of Mathematics
University of Iceland
